# PESO Accomplishments

## COWFCA starts Membership Registration

Overseas Filipino Workers (OFW) appertains to the Modern Day Heroes of our country. They are risking their lives by going to foreign lands for what they believe, offering them greener pastures. They are also enduring homesickness and doing extra works just to be able to release their families from poverty while their family members left behind are framing their own strategies towards budgeting the monthly remittances they are receiving.

Last January 14, 2018, Cabatuan Overseas Workers and Family Circle Association (COWFCA) started the membership registration of OFWs in the municipality. It was facilitated by the Public Employment Service Office (PESO) Cabatuan through the Barangay PESO Coordinators. The aforesaid association aspires to provide trainings that would be beneficial to the members

*Mr. Francisco T. Heler, Jr., Head, PESO Province gives his message to the members of Cabatuan OFW Circle Assn. during the association's Family Income Management Training and Registration of Members*

and to give succor to OFWs in need.

To further create a better social network amongst all members of the association, a Facebook account was duly created. OFWs from different continents of the globe can purposely connect with other

Cabatuananons by adding Cabatuan Ofw-fca in Facebook. This allows the members to rapidly receive important information and it creates a community where every Cabatuananon OFW can spread and feel the sense of being united.

## Management Training to OFW Families conducted

Last April 2, 2018, fifty (50) members of the OFW Family Circle in Hongkong participated in a "Family & Income Management Training" held at the Livelihood Center at Brgy. Zone 1, Cabatuan, Iloilo.

The aforementioned training was facilitated by Cabatuan PESO and sponsored by ATIKHA, a non-government organization

that provides economic and social services to overseas Filipinos and their families in the Philippines, and Pinoy WISE (Worldwide Initiative Investment Savings & Entrepreneurship).

The training aimed to impart action points and tips on Spending, Saving, Investing, Borrowing and Addressing Family Issues. Aside from this,

Pinoy WISE also inculcate their core messages: "Maging Wise sa Pamamahala ng Pera, Maging Wise sa Pangangalaga ng Pamilya" and "Pagbabalik Paghandaan, Siguraduhing Bukas may Daratnan".

Undeniably, the training was of great help to the participants. Since they were guided by a 5-component Financial Planner;

(1) achieving your migrational goal, (2) managing your family income, (3) saving for investment,

(4) protecting yourself, and (5) borrowing and getting out of debt. Participants were expected to learn these action points so that they could knowledgeably manage their money in a wiser way.

## LGU-Cabatuan Sustains 150 SPES Beneficiaries

The Special Program for Employment of Students (SPES) has become a helpful program in the lives of many aspiring students of Cabatuan. In the past 3 years, the local government through PESO implemented and administered the SPES Program. This program is an aid for the poor yet deserving students to pursue their education through employing them during summer breaks. The 150 SPES beneficiaries were given a 20-day employment which started on May 11, 2018 to June 2, 2018.

This year, the SPES Beneficiaries were given the task to profile the child labor in the barangay and collect/survey data for KABALAKA Program. Now, the program has kept on progressing and more of the less fortunate yet deserving students are inspired to qualify and to get employed in SPES. SPES also creates an avenue for them to widen their learning experiences, improve their social interaction and be able to serve their fellow Cabatuananons.

SPES Beneficiaries for SY 2018-2019 with Mayor Ronilo O. Caspe and Mrs. Janet Pedrajas, PESO Manager (seated at the center)

## The Municipal Planning and Development Office

During the first half of 2018, the MPDO personnel started the preparations for CY 2019. The activities included the preparation of an updated Ecological Profile and the review of implementation of the current plan as references for the formulation of plans for the succeeding year.

The MPDO facilitated the Training on Community Based Monitoring System (CBMS) Module 4 - Comprehensive Development Planning last February 12-16, 2018 at Clada Traveller's Inn, Brgy. Tiring, Cabatuan, Iloilo. CBMS Module 4 is the formulation of a Comprehensive Development Plan of the Municipality for 2019-2024. The DILG personnel were the resource persons and used the RAPIDS approach in determining the priority project, programs and activities. The participants in the workshop were LGU personnel and NGOs representatives.

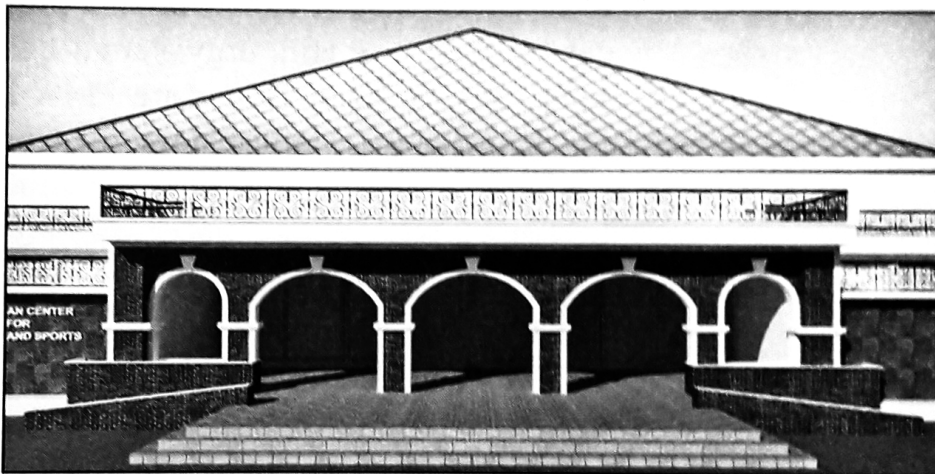

These development sectors were also tapped in the formulation of the LDIP 2019-2021 last April 25, 2018.

The MPDO then utilized the LDIP to finalize the Annual Investment Program 2019 which was presented to Municipal Development Council (MDC) for approval during their meeting last May 23, 2018. This AIP was forwarded to the office of the Sanguniang Bayan for their adoption.

The MPDO also facilitated the conduct of the Comprehensive Land Use Plan (CLUP) 2017-27 Public Hearing last February

8, 2018. This was attended by PLUC members, SB Members, Department Heads, Land Owners and Businessmen. Suggestions, clarifications, opinions, and recommendations of participants and visitors were noted for consideration.

These are the major accomplishment of the MPDO as part of its contributions to help achieve the vision and dreams of Hon. Ronilo O. Caspe for the Municipality of Cabatuan.

The MPDO special activity includes the preparation of plan and design of various vertical infrastructures, to wit:

1. Improvement of Cabatuan Center for Culture and Sports
2. Improvement of Municipal Building facade
